To Whom It May Concern,

I am writing this letter as a reference letter concerning the construction of our log cabin by Bear Lake Log Homes of Bloomington, Idaho. Our cabin is situated on a challenging golf course next to beautiful Bear Lake.

In trying to find a contractor, we wanted someone who could create a cabin that would complement the surrounding area. Bear Lake Log Homes of Bloomington couldn't have done a better job. The results are more than we ever anticipated. Both the beauty of a natural log cabin and the rustic feel of being in the wilderness were achieved. Absolutely perfect.

Anyone looking for quality construction would be well advised to have Reid Stewart of Bear Lake Log Homes perform the work. We have been pleased with the outcome. Thank you Bear Lake Log Homes !

Sincerely,

David and Margaret Saunders
